Introduction

Good [Morning/ Afternoon/ Evening]. My name is (SAY NAME) from Roy Morgan Research, on behalf of Australian National University. May I speak to [Parent's first name] [Parent's last name].

IF RESPONDENT IS UNAVAILABLE: Do you know when would be a good time to reach them? IF NECESSARY, MAKE GENERAL APPOINTMENT.

IF RESPONDENT NOT AT NUMBER: Do you know another number that we might be able to reach them on? IF YES, RECORD ALTERNATE PHONE NUMBER. IF NO, TERMINATE AND CODE 141 'NAMED SAMPLE RESPONDENT NOT AT THIS NUMBER'.

TO RESPONDENT: I am calling about a research project called 'Youth in Focus' which gathers important information about young Australians and their families. A letter and brochure describing 'Youth in Focus' was recently mailed to you.

Youth in Focus is about the experiences of young people in Australia. It aims to get a more accurate picture of how young people are doing economically and socially. It is important to us to find out BOTH the views of young people AND of their parents. The research will help our understanding of how young people are doing in education, work, and life in general and this will be used to help the government develop more effective ways of providing services to those who need them.

IF RESPONDENT DID NOT RECEIVE BROCHURE: If you would like, I can provide you with a web page where you can obtain the brochure. (NOTE: PLEASE CONTINUE INTERVIEW).

IF NECESSARY (I.E. WEB ADDRESS IS NOT ENOUGH): Or I can arrange for you to be sent another copy of the brochure.

We offer a \$15 incentive to say thank-you for taking time to participate in this survey.

The survey will take about 25 minutes and will involve separately interviewing you and your 18-year old son/daughter. With your permission, researchers at the Australian National University will also link the information that you provide in the survey with information from Centrelink so that we do not have to ask you as many questions

IF NECESSARY SAY (I.E. RESPONDENT HESITATES OR ASKS ABOUT PRIVACY): All information will be treated in the strictest confidence and will not affect any government benefits that you might be getting.

IF ASK WHO THE CLIENT, HIT ESC H AND SELECT CLIENT\$H.

IF RESPONDENT ASKS FOR MORE INFO ABOUT THIS PROJECT OR ROY MORGAN RESEARCH, HIT ESC H AND SELECT RMR\$H.

IF RESPONDENT HAS CONCERNS ABOUT PRIVACY ISSUES, HIT ESC H AND SELECT ISSUE\$H

IF CODES 4 OR 5 ON Y5 SAY:

We also ask for the name and number of another person who might know where [Focal Youth] is in case we are unable to contact you. A Relative who does not live with you (nor with [Focal Youth]) is usually the best for this. We will not contact this person whose name you give us unless we are unable

to find [Focal Youth] and unable to find you. These contact details will be kept completely secure and will not be used for any other purpose.
