Cognitive Test
Cognitive Test

The top part of Problem A 1 is a pattern with a bit cut out of it. Look at the pattern, think what the piece needed to complete the pattern correctly both along and down must be alike. Then find the right piece out of the six bits shown below. Only one of these pieces is perfectly correct.

Problem A 1
Now please do Problem A 2 and write down the answer. Please do not turn over to the next page until you receive instruction.

**Problem A 2**
